

## Wake Up

### Run River North

Sunday morning back at my place  
You can sleep late I don't mind  
Break some eggs make a mixtape  
Let it play like twenty times  
I ain't got no money but I got lots of time  
So let's spend a little, live a little  
Cause everyday the sun'll rise

Come smell the roses  
Oh, come take your time  
Dead for a moment  
Set heaven on fire  
Same life, same skin  
Wear it out, I hope it fits  
The sun is coming up  
I think it's time (to wake up!)

Monday morning on the freeway  
Run a bit late I don't mind  
Break my back, make a mistake  
Another day, I'm getting by  
We ain't got no money but we got lots of time  
So let's spend a little, live a little  
Cause everyday the sun'll rise

Come smell the roses  
Oh, come take your time  
Dead for a moment  
Set heaven on fire  
Same life, same skin  
Wear it out, I hope it fits  
The sun is coming up  
I think it's time (to wake up!)

We ain't got no money but we got lots of time

Come smell the roses  
Oh, come take your time  
Dead for a moment  
Set heaven on fire  
Same life, same skin  
Wear it out, I hope it fits  
The sun is coming up  
I think it's time (to wake up!)
