

Into Your Arms

Runner Runner

Here's to you
Here's to me
Here's to all our memories so faded
Here's to falling in love
Here's to falling apart
Here's to everything we are

Its so the worst position
When she so doesn't listen

Maybe the money
Maybe the waiting
Maybe the games we keep playing

I wanna run into your arms
(run into your arms)
I wanna be right where you are
(right where you are, right there with you)
I can't live with you, I can't live without
Run into your arms

Here's to love
Here's to hate
Here's all our precious time so wasted
Here's to just letting go
Here's to walking away
Here's to every single day

Its so the worst position
When she so doesn't listen
Maybe the money
Maybe the waiting
Maybe the games we keep playing

I wanna run into your arms
(run into your arms)
I wanna be right where you are
(right where you are, right there with you)
I can't live with you, I can't live without
Run into your arms

We could let it go
I can't let it go
We could let it go
I can't let it go

I wanna run into your arms
(run into your arms)
I wanna be right where you are
(right where you are, right there with you)
I can't live with you, I can't live without
Run into your arms
I can't live without you

Run into you arms
