

Sweetness

Runner Runner

If you're listening, whoa

Sing it back, whoa

String from your tether unwinds

(String from your tether unwinds)

Whoa oh, whoa oh

Up and outward to bind

(Up and outward to bind)

Whoa oh, whoa oh

I was spinning free, whoa

With a little sweet and simple numbing me

Are you listening?

Whoa

Sing it back, whoa

So tell me what do I need

(Tell me what do I need)

Whoa oh, whoa oh

When words lose their meaning

(When words lose their meaning)

Whoa oh, whoa oh

I was spinning free, whoa

With a little sweet and simple numbing me

Stumble till you crawl, whoa

Sinking into sweet uncertainty

Are you listening?

Are you listening?

If you're listening, whoa

(If you're listening; are you listening?)

Sing it back, whoa

(If you're listening; are you listening?)

I'm still running away

(I'm still running away)

I won't play your hide and seek games

(Won't play your hide and seek games)

I was spinning free, whoa

With a little sweet and simple numbing me

Yeah

What a dizzy dance, whoa

The sweetness will not be concerned with me

No, the sweetness will not be concerned with me

No, the sweetness will not be concerned with me
