

# Unstoppable

## Runner Runner

Got a one-way ticket  
To take this all the way  
Got a one-track mind  
So get me in the game  
There's only one place  
That I wanna be tonight

Two hearts beating  
It's time to breakaway  
Three small words that I really wanna say  
Four long years  
And I'm thinking that the time is right

Gimme one good reason  
There's nothing you could say  
Gimme one last chance  
We're never gonna break  
I got a tick-tock rhythm running through my veins  
(Got a tick-tock, got a tick-tock, yeah)

We are, we are, we are  
Oh, whoa, oh  
Unstoppable  
We are, we are, we are  
Oh, whoa, oh  
We're unstoppable

Now we're on our way  
But it never comes easy  
Baby, take my hand  
And I'll show you what we could be  
'Cause it's our time now  
And we're headed for the top of the world

So gimme one good reason  
There's nothing you could say  
Gimme one last chance  
We're never gonna break  
I got a tick-tock rhythm running through my veins  
(Got a tick-tock, got a tick-tock, yeah)

We are, we are, we are  
Oh, whoa, oh  
Unstoppable  
We are, we are, we are  
Oh, whoa, oh  
We're unstoppable

No, we won't back down  
Let anybody get in our way  
Fight, fight  
It's all right  
Never settle  
We are, we are, we are  
Oh, whoa, oh  
We're unstoppable

Here we come  
We don't care if you're ready or not (x7)

Here we come  
We don't care  
(Hey)  
We're unstoppable  
Hey, hey, hey, hey  
(We're unstoppable)  
Hey, hey, hey, hey

We are, we are, we are  
Oh, whoa, oh  
Unstoppable  
(Unstoppable)  
We are, we are, we are  
Oh, whoa, oh  
We're unstoppable

No, we won't back down  
Let anybody get in our way  
Fight, fight  
It's all right  
Never settle  
We are, we are, we are  
Oh, whoa, oh  
We're unstoppable
