

## Angel of Mercy

Running Wild

Coating evil plans in a world of shaking hands  
Trying hard to feed the fire, keeping strife alive  
Man kept in the dark  
with the force of breaking hearts  
Quarrel of every kind  
to confuse and twist the mind  
| Pre:  
Silver shiny wings bathed in fire  
Godly weapons speak to break the chains of darkness  
| Chorus:  
Angel of mercy won't you spread your wings?  
Flying high on a silverclouded beam  
Angel of mercy won't you cut that strings?  
That feeds the dark and keeps the world in chains  
Lies of deepest dye, no need to reason why  
Manipulating rules, enslaving common sense  
Forcing upon all man their evil bullshit then  
Court jesters never reign, they die away in pain  
| Pre | Chorus | Pre | 2 x Chorus
