

Dr. Horror

Running Wild

War, termination's roar
Terminations roar on the battlefield
Soldier's trapped without a shield
Mordant air, carry death
Poisoning, choking breath
Massdestructive strategy
An evil plan of first degree
How perverts will be the end
We all will die by evil's hand
Sex, virus attacks
Virus attacks an soiling blood
Innocence, the evil's plague
Destructive generic code
'Tittytainments' overload
Dr. Horror, Dr. Horror your heart's of blackest kind
Dr. Horror, Dr. Horror, the raw perverted mind
Dr. Horror, Dr. Horror, masskiller on the grind
Dr. Horror, Dr. Horror, a modern Frankenstein
What, what do you wanna be
What do you wanna be is a sacred slave
Obedient 'til the grave
The underling the brain insane
Dying in the painful flame
