

Straight to Hell

Running Wild

The sky's swirling black
And choking fog blots out the sun
The last echo is silenced
New dark age has begun
The countdown was final
Red button ran out of control
No deposits required
Paradise won't take your soul
A living hell for the stumbling few
Paying the price for the likes of you
A living hell for the stumbling few
Paying the price for the likes of you
The once green Earth
Is scattered with horror and gray
No winners, just losers
Who die with a few months delay
The countdown was final
Red button ran out of control
No deposits required
Paradise won't take your soul
A living hell for the stumbling few
Paying the price for the likes of you
A living hell for the stumbling few
Paying the price for the likes of you
Man's not immortal
Despite killers bunkered so deep
A voice in the darkness
Warned against blind folded leap
A living hell for the stumbling few
Paying the price for the likes of you
A living hell for the stumbling few
Paying the price for the likes of you
A living hell for the stumbling few
Paying the price for the likes of you
A living hell for the stumbling few
Paying the price for the likes of you
A living hell for the stumbling few
Paying the price for the likes of you
