**Running Wild** 

The sky's swirling black And choking fog blots out the sun The last echo is silenced New dark age has begun The countdown was final Red button ran out of control No deposits required Paradise won't take your soul A living hell for the stumbling few Paying the price for the likes of you A living hell for the stumbling few Paying the price for the likes of you The once green Earth Is scattered with horror and gray No winners, just losers Who die with a few months delay The countdown was final Red button ran out of control No deposits required Paradise won't take your soul A living hell for the stumbling few Paying the price for the likes of you A living hell for the stumbling few Paying the price for the likes of you Man's not immortal Despite killers bunkered so deep A voice in the darkness Warned against blind folded leap A living hell for the stumbling few Paying the price for the likes of you A living hell for the stumbling few Paying the price for the likes of you A living hell for the stumbling few Paying the price for the likes of you A living hell for the stumbling few Paying the price for the likes of you
