Moonbeams touch the soil Streak of fog surrounds the scene The eerie wind is howling A lantern light's the only gleam The one-eyed owl is calling Hands hold tight the iron-lamp The cold is paralyzing Ponderous steps trough misty damp The atmosphere's tremendous Seasoned men are choked with fear The presence of the phantom A strange and sublime power's near The figures bathed in moonlight A black dressed shape without a face Celestial phenomenon And he disappeared without a trace The phantom of Black Hand Hill Moonlight ride, frightening thrill The phantom of Black Hand Hill Honored ghost, righteous will, oh yeah Footsteps on the clearing No one dares to speak or move They returned to kill the phantom But no one's got the balls to prove Balls of light are flashing An ancient tongue speaks words of truth The fight of Armageddon? Good or evil who will lose? The phantom of Black Hand Hill Moonlight ride, frightening thrill The phantom of Black Hand Hill Honored ghost, righteous will, oh The spot of stakes of haunted Predestined when he was burned For the righteous curse of vengeance His good and honored soul returned Black Hand Hill's a mystery The spot is veiled in secrecy Revealing ancient wisdom But blinded eyes will never see The phantom of Black Hand Hill Moonlight ride, frightening thrill The phantom of Black Hand Hill Honored ghost, righteous will The phantom of Black Hand Hill Prophecy, ancient skill The phantom of Black Hand Hill Seasoned soul, breaks the still, oh
