

## Welcome to Hell

Running Wild

I, I did you welcome  
On earth, this maltreated place  
Home, home of destruction  
Facing insanities' trace  
Money, money's the idol  
The altar, holy icon of man  
Facing the truth of a place you never should be

Welcome, welcome, welcome to hell  
Visions, nightmares are fit to tell, welcome to hell  
Souls feeding the gear  
Victims of obedient trust  
Slaves working their ass off  
Reward, to bite the dust

Say, say farewell  
Flee, rushing headlong fast  
[Pre & Chorus...]
