Wild, Wild Nights

Running Wild

I can feel it in my bones
Adrenaline grows

The week is off and it's Friday night
Your b-leather jacket looking so tight
You start the car and it's 10 o'clock
You're pumped up, ready to rock

21 guns fired at once

Hang on (hang on)
To those wild, wild nights
Hang on (hang on) so get it on
These wild, wild times
Hang on (hang on)
To those wild, wild nights
Hang on (hang on) so get it on
These wild, wild times
Wild, wild nights

A couple of beers enlighten the day
Smiling you rock the night away

21 guns fired at once

Hang on (hang on)
To those wild, wild nights
Hang on (hang on) so get it on
These wild, wild times
Hang on (hang on)
To those wild, wild nights
Hang on (hang on) so get it on
These wild, wild times
Wild, wild nights

21 guns fired at once

Hang on (hang on)
To those wild, wild nights
Hang on (hang on) so get it on
These wild, wild times
Hang on (hang on)
To those wild, wild nights
Hang on (hang on) so get it on
These wild, wild times

Hang on (hang on)
To those wild, wild nights
Hang on (hang on) so get it on
These wild, wild times
Hang on (hang on)
To those wild, wild nights
Hang on (hang on) so get it on
These wild, wild times

Wild, wild nights
