

## Colors

**Runnner**

Somewhere in the deep part of somewhere  
You live there, look out for me  
The colors caught my eyes again  
Is it what you wanted? Is it?

Somewhere in the deep part of somewhere  
You live there, look out for me  
The colors caught my eyes again  
Is it what you wanted? Is it?  
Is it what you wanted? Is it?
