Runnner

I don't wanna live like this forever
But I'm still too scared to die
Unresolved in how to make it better
But I don't know if I ever really tried

Buying dandruff shampoo at the Rite Aid
Am I making a positive change?

Fifteen pack for sixteen dollars
Plastic waves like corduroy
Neon lights beam through the water
Occupied in all this noise

I should remember my coat when it's cold out
'Cause I keep getting sick from the rain
I thought I would improve when I'm older
But I'm mostly just staying the same

What's on your mind?
Does it fit into language?
Will it change if you say it?
Will it change if you say it?
Will it change if you say it?
