Anytime wey you hear the banger

Everyday and night we balling
See the way the chicks dey calling
See the way the money piling
Suddenly suddenly ooo
Everyday and night we balling
See the way the chicks dey calling
See the way the money piling
Time nor dey

I dey hustle for my pay
Every night and every day
Thank God eh
I dey thank God eh
For his blessing for my way
Every night and every day

Anytime wey you hear the banger

For his blessing for my way
Every night and every day
Anytime wey you hear the banger
Anytime wey you hear the banger
