Higher than eye level  
You know the level wey no man can see  
You know the level you don't need to say a thing  
Let the money do the talking  
Hundred man dem walk in  
Got a problem dem sort it  
Everything confidential cos bad mind watching

You gon love me for my ambition  
Getting money be my tradition  
And I know motherfuckas wanna see me broke  
But getting money be my tradition
