

Blessed

RuPaul

(Hallelujah, hallelujah)
I feel it coming
(Hallelujah, hallelujah)
I feel it coming
(Hallelujah)

I feel a miracle
I feel it coming
I feel a miracle
I know it's coming

I feel blessed
I feel blessed
And I owe it all to you
I feel blessed
I feel blessed
And there's nothing I can do

Sing hallelujah
Sing hallelujah
Oh, oh, oh
Sing hallelujah
Sing hallelujah
Oh, oh, oh

Love
Joy
Pride in all you do
Love
Joy
Faith in what you do

I feel blessed
I feel blessed
And I owe it all to you
I feel blessed
I feel blessed
And there's nothing I can do

(Hallelujah, hallelujah)
(Hallelujah, hallelujah)
(Hallelujah)

I feel blessed
I feel blessed
And I owe it all to you
I feel blessed
I feel blessed
Oh, oh, oh

Love
Joy
Pride in all you do
Love
Joy
Faith in what you do

I feel blessed
I feel blessed
And I owe it all to you
I feel blessed
I feel blessed
And there's nothing I can do

Sing hallelujah
Sing hallelujah
Oh, oh, oh
Sing hallelujah
Sing hallelujah
Oh, oh, oh
