

Call Me Starrbooty

RuPaul

If you wanna ring my bell (hello)
You can call me S-T-A double R-BOOTY
If you want it hot as hell (hah hah)

You can call me S-T-A double R-BOOTY

(I'm there for you)
My private number
(Call anytime)
Day or night (night)
(What you wanna do?)
Tell me what you wanna do
Just don't leave me
Hanging on the line

Your voice, sexy and mysterious
Say my name I'll be there for you baby

In a world so crazy and delirious
Say my name I'll be there for you baby

Call me Starrbooty
Call me boo-oo-oo-oo-oo-ty

S-T-A double R-BOOTY

Hey, hey...

If you wanna ring my bell (hello)
You can call me S-T-A double R-BOOTY
If you want it hot as hell (hah hah)

You can call me S-T-A double R-BOOTY

Me there for you baby

S-T-A double R-BOOTY

Tell me what you wanna do
Tell me what you wanna do
Tell me what you wanna do
Just don't leave me
Hanging on the line
