We in the club and we gonna slay
Bailando, con ella
But I wanna know? ¿Oye quién es ella?

(Qué es lo que quiere la nena?)
(Her look? She's giving princesa!)
(Ella! Bella! Shut up, now holla a la reina)
Now prance! I got the ish
Shake my ass, move my hips
Come through mamá! Yes, you mamá!
'Til the stage, start drama!
