

Do the Right Thing

RuPaul

Never let me down
Don't do me wrong
Y'gotta do me right (uh oh)
Do the right thing

Never let me down
Don't do me wrong (hey)
Y'gotta do me right (uh oh)
Do the right thing

(Uh oh)
(Uh uh oh)
(Hey hey)
(Uh uh oh)
Do the right thing
(Uh oh)
(Uh uh oh)
Yeah
(Uh uh oh)
Do the right thing

I put my trust in you,
My lover and my friend
I'll be right by your side,
Through thick and thin
Just call my name (Starrbooty)
When the going gets too tough
I'll be right there for you
When the world ain't enough

Never let me down
Don't do me wrong (hey)
Y'gotta do me right (uh oh)
Do the right thing

Never let me down
Don't do me wrong (hey)
Y'gotta do me right (uh oh)
Do the right thing

I love you dearly,
With all my heart
My loyalty,
Is better than guaranteed
As you respect me, baby
I'll respect you
Just say
That you'll be there
As I am for you

Never let me down
Don't do me wrong (hey)
Y'gotta do me right (uh oh)
Do the right thing

Never let me down
Don't do me wrong (hey)

Y'gotta do me right (uh oh)
Do the right thing

And when you're faraway
And you feel the need
To have somebody close
The way you have with me
I'll always understand
You're only human
I'm human too
Just remember me
Cover me
Remember me
Remember me

(Uh oh)
(Uh uh oh)
(Hey hey)
(Uh uh oh)
Do the right thing
(Uh oh)
(Uh uh oh)
Yeah
(Uh uh oh)
Do the right thing

Never do me
Don't do me
Gotta do me
Right

Never do me
Don't do me
Gotta do me
Right

Never do me
Don't do me
Gotta do me
Right

Never do me
Don't do me
Gotta do me
Right

(Oh)

Never let me down
(Don't never let me down)
Don't do me wrong
(Don't do me wrong, do me wrong)
Y'gotta do me right (do me right)
(Do the right thing)

Never let me down
Don't do me wrong
(Don't do me wrong)
Y'gotta do me right (uh oh)
Do the right thing
(Do the right thing)

Never let me down

Don't do me wrong (hey)
(Don't do me wrong)
Y'gotta do me right (uh oh)
Do the right thing

Never let me down
Don't do me wrong (hey)
Y'gotta do me right (uh oh)
(Do the right thing)
