

## Fascination

RuPaul

Everywhere I go it's serious faces  
Wonder do they know that life is a daydream?  
Everywhere I go it's serious faces  
Wonder do they know that life is a daydream?

Oh, can't shake the fascination  
I'm a seeker, chasing what  
Whatever gets my heart beating drums  
Oh, can't shake the fascination  
I'm a seeker, chasing what  
Whatever gets my heart beating drums

They say I'm a freak, it's okay  
They can say it like  
That don't bother me  
Anyway, yeah I'm different

Then roll with me, if you feel me  
If you like it like that  
I get you, you get me  
We're no different, yeah

Everywhere I go  
Everywhere I go  
Everywhere I wonder do they know that life is a daydream?

Everywhere I go  
Everywhere I go  
Everywhere I wonder do they know that life is a daydream?

I can feel it, can you feel it, too?  
Everywhere I go  
Everywhere I go  
Everywhere I wonder do they know that life is a daydream?  
There's beauty in this world I just  
Can't seem to shake this fascination

Everywhere I go  
Everywhere I go  
I wonder do they know that life is a daydream?  
Everywhere I go  
Everywhere I go  
Life is a daydream
