

Feel Like Dancin'

RuPaul

I feel like dancing
I feel like dancing
I-I-I-I feel like dancing
Turn it up
Got to keep on dancing
Turn it up
And if I wanna stay and throw my life away (Oh oh oh)
'Til then I say, live for today (Oh oh oh)

RuPaul, you wanna be fierce?
Take a look at this overness
La Toya J, you wanna be [?]
Touch some of this dynamite

We so bad, we so bold
We the maximum overload
Voulez-vous, disco fierce
Got me feeling all boogie nights

Do you wanna do you wanna do you wanna do you wanna
Do you wanna do you wanna do do do
Do you wanna do you wanna do you wanna do you wanna
Do you wanna do you wanna do do do

Twerk, make my body jerk
Twerk, girl you better work
We the life of the party, girl
We the life of the party

I feel like dancing
Turn it up
Got to keep on dancing
Turn it up
And if I wanna stay and throw my life away (Oh oh oh)
'Til then I say, live for today (Oh oh oh)

Fellas (fellas) up in here
Step into my world full of atmosphere
I don't care what they say about me,
Life with La Toya, that's who I be
Got a problem with all my cash,
Tell 'em RuPaul. Y'all can kiss kiss kiss...

I feel like dancing
Turn it up
Got to keep on dancing
Turn it up
And if I wanna stay and throw my life away (Oh oh oh)
'Til then I say, live for today (Oh oh oh)
I feel like dancing
Turn it up
Got to keep on dancing
Turn it up
And if I wanna stay and throw my life away (Oh oh oh)
'Til then I say, live for today (Oh oh oh)

Dancing

Turn it up
Got to keep on dancing
Turn it up
And if I wanna stay and throw my life away (Oh oh oh)
'Til then I say, live for today (Oh oh oh)

(Tell the party people) When you look good
(Tell the party people) You feel good
(Tell the party people)
and I feel real good
(Tell the party people) When you look good
(Tell the party people) You feel good
(Tell the party people)
and I feel real good
