

From Your Heart

RuPaul

Don't get me wrong
I like the finer things
I'm a glamazon
But that don't mean that I'm not sentimental

I like to trim the tree
Sip eggnog with my family

Yeah I got nice things (Yeah, yeah)
Tiffany earrings (Yeah, yeah)
Platinum cufflinks (yeah, yeah)
But my favourite thing...

This holiday, the best gift I got
Didn't come from a box
It came from your heart
This holiday, the best gift I got
Didn't come from a box
It came from your heart, your heart, your heart
It came from your heart

I've got designer jeans so people think I'm bourgeoisie
But that don't mean I can't hang with my people
Up in Harlem world or kickin' with my Chelsea girls
Nails on point
My Louboutins are lethal

Yeah I got nice things (Yeah, yeah)
Tiffany earrings (Yeah, yeah)
Platinum cufflinks (yeah, yeah)
But my favourite thing...

This holiday, the best gift I got
Didn't come from a box
It came from your heart

It came from your heart, your heart, your heart
It came from your heart
It came from your heart
