

Hello Hello Hello (Interlude)

RuPaul

Hello hello hello
Welcome to my drag race Christmas
It's time to start the show
Tonight we're gonna win and find out
Who sashays away
And who is gonna slay
Oh and it's a musical by the way, haha

Hello hello hello
Welcome to the drag race Christmas
It's time to start the show
Tonight we're gonna win and find out
Who sashays away
And who is gonna slay

So bring your Christmas cheer
Who will be the Christmas queen this year?
