

## Hey Sis

RuPaul

Hey sis, listen  
This is our night  
Hey miss, misfit  
This is alright

We should never doubt our hearts  
They can do without us  
'Cause now it's all about us  
Hey sis, it's Christmas  
Here we are united  
Just to get excited  
This is our night  
Even you can't fight it  
Hey sis, it's Christmas

'Twas the night before Christmas  
And all through the house  
The children were voguing and turning it out  
As mama Ru stood at the top of the stairs  
Watchin' with pride as her children got theirs  
Poppin', and dippin', and spinnin' below  
Miss RuPaul decreed, before striking a pose  
"What you can conceive, so shall you receive  
The glamour, the coinage, the trade, and the weaves  
This night will live forever and a day  
As long as we remember that Christmas is gay"

You don't have to be alone on Christmas  
We are family and that's what this is  
Hey sis, it's Christmas  
You don't have to be alone on Christmas  
We are family and that's what this is  
Hey sis, it's Christmas

Hey sis, listen  
This is our night  
That's what this is  
Hey sis, it's Christmas  
That's what this is  
Hey miss, misfit  
This is alright  
And that's what this is  
(Hey sis, it's Christmas)
