

It's Raining Men

RuPaul

This is Rupaul
And this is Martha Wash
We're reporting to you live-
From our Weather Center
Honey just when you thought it was safe to go back outside
Bam! The sequel!

Humidity's rising (Yeah baby)
Barometer's getting low (Honey I thought you knew, girl)
According to all sources (Hu-hu-hu, what sources?)
The street's the place to go (Baby you better listen, honey!)

Tonight for the first time (First time)
Just about half past ten (Uhu)
For the first time in history (Say what?)
It's gonna start raining men (All right girl)

It's raining men (Hey!),
Hallelujah
It's raining men, Amen!
I'm gonna go out
I'm gonna let myself get
Absolutely soaking wet

It's raining men, Hallelujah
It's raining men, every specimen:
Tall (Hey!), blond (Wow!), dark and mean
Rough and tough and strong and lean

God bless Mother Nature
She's a single woman too
She took on to heavens
And she did what she had to do, now!
She taught every angel (ye-yeh)
She rearrange the sky
So than each and every woman
Could find her perfect guy

It's raining men, Hallelujah
It's raining men, Amen!
It's raining men, Hallelujah
It's raining men,
Amen

Hear the thunder
Don't you lose your head
Rip off the roof and stay in bed
Rip off the roof and stay in bed

God bless Mother Nature (That's right honey)
She's a single woman too (Oh, I thought you knew girl)
She took on to heavens (Yeah baby)
And she did what she had to do, now!
She fought (Every angel) every angel
(She rearrange the sky) Yes she did
So than each and every woman (Every woman)
Could find her perfect guy

So it's raining men, Hallelujah
It's raining men, Amen
It's raining men (He-hey), Hallelujah
It's raining men (Come on, now), Amen

You know it's raining men (Thank you Jesus), Hallelujah
It's raining men (For answer my prayers), Amen
It's raining men, Hallelujah
It's raining men, Amen
