

## **Starrbooty Trailer**

**RuPaul**

In a world  
Where crime is a way of life in a city that never sleep  
Just call her name, Starrbooty

You have the power to transform me into a classy piece of ass

This is the hottest booty in captivity  
Hotter than a crackpipe on payday  
When Starrbooty goes undercover as a hooker  
She uncovers more than you could ever imagine  
Candis Cayne as Annaka Manners

"Annaka you wouldn't  
Actually I'm afraid I would"

Lahoma Van Zandt as Agent Paige Turner...

"If you're gonna go undercover as a whore  
You gotta be prepared to go all the way"

More booty than a baptist barbecue  
More booty than the law would allow  
Six foot seven inches of raw booty  
Starrbooty  
Bend over, it's booty time
