This Is a Picnic

RuPaul

I remember once, when I was five years old
And she was probably twelve

My sister put some chocolate chip cookies
In a brown paper bag, grabbed this
Blanket... uhm, and she took it out
To the backyard and spread it out

And we sat down and she oppened
The bag, and gave me a cookie
And then she said: "RuRu, this is a picnic"

And that was the first time I learned
How to use my imagination to turn
Something very basic into something...
That was magical
