

# You're the Star (On My Christmas Tree)

RuPaul

It's Christmastime once again  
Let's hang the lights and ornaments  
Outside the sleigh bells ring  
And sound of voices caroling

We toil away by the fire  
The tinsel keeps us climbing high  
Pretending we don't know  
What's in the presents down below

It's time to decorate the tree  
And you're here, right where you should be  
And I love ya, love ya, love ya  
You're the star on my Christmas Tree

Candy canes, the stockings hung  
It's time for us to have some fun  
Boots on, come on let's go  
We're making angels in the snow

No twinkling lights or starry skies  
Could hold a candle to your eyes  
As we walk hand in hand  
Around this winter wonderland

It's time to decorate the tree  
And you're here, right where you should be  
And I love ya, love ya, love ya  
You're the star on my Christmas Tree

And I know  
You'll be here once again  
Next year, but, baby, from now til then  
I love ya, love ya, love ya  
You're the star on my Christmas Tree

And, baby, I know  
It comes once a year  
Once a year and though  
The tree will come down  
You remain the star  
Remain the star of my heart  
Of my heart

It's time to decorate the tree  
And you're here, right where you should be  
And I love ya, love ya, love ya  
You're the star on my Christmas Tree

And I know  
You'll be here once again  
Next year, but, baby, from now til then  
I love ya, love ya, love ya  
You're the star on my Christmas Tree

Uh-oh  
Ba-bu-da-ba-ba-ba-ba

Uh-oh  
Bu-da-bu-ba-ba-ba-ba  
And I love ya, love ya, love ya  
You're the star on my Christmas Tree  
Uh-oh wuh-oh  
Ba ba ba  
Wuh-oh  
Ba-bu-da-ba-ba-ba-ba  
I love ya, love ya, love ya  
You're the star on my Christmas Tree
