

I Am a Bajan

Rupee

Yeah, Barbados boy, wont give it up for the world!
Nothing like coming home to the rock boy
For Real!

Gem of the Caribbean sea
Want nothing with we
I am a Bajan, I'm a Bajan
166 Square miles, pure love pure smiles
I am a Bajan, I'm a Bajan
Gold sand and crystal blue sea
Want nothing with we
I am a Bajan, I'm a Bajan
Symbol of pride and industry
Christ church to St. Lucie
I am ah Bajan, I'm ah Bajan
Wherever I roam or I go
I will let them know
No matter what I say, or I do
Blue Yellow Black and Blue
Drinks, Rags, reppin my Bajan flag
Vibes, music, jump up and down and sing it

Gem of the Caribbean sea
Want nothing with we
I am a Bajan, I'm a Bajan
One peaceful loving society
We're one family
I am ah Bajan, I'm ah Bajan
Land of Crop over and Kadooment
Where the women look heaven sent
I am a Bajan, I'm a Bajan
Jazz festival, reggae on the hill
Get your belly fill
I am ah Bajan, I'm ah Bajan
Wherever I roam or I go
I will let them know
No matter what I say, or I do
Blue, Yellow, Black and Blue
Drinks, Rag, reppin my Bajan flag
Vibes, music, jump up and down and sing it

Gem of the Caribbean sea
Want nothing with we
I am a Bajan, I'm a Bajan
Land of the Cou cou and flying fish
We national dish
I am a Bajan, I'm a Bajan
Tourists they come in from near and far
To be where we are
I am a Bajan, I'm a Bajan
Bajans from London to NYC
You belong to we
I am a Bajan, I'm a Bajan
I love my land, on my heart I put my hand
I pledge allegiance so true
Barbados I love you
Barbados is my home

No matter where I roam
Barbados is my home, is my home
Barbados is my home
No matter where I roam
Barbados is my home, is my home
