She got de whine dat would mek some gal think twice, think twice

All eyes on her anywhere dat she go  
When she whine and she dip it and she back it up slow  
When she's in the place everybody knows  
Lights up the stage like a Vegas show  
On everybody's story, everybody's Snap  
Sting she ah sting and ah shock she ah shock  
Who don't like she? Dem flop!  
She don't care wuh yuh think about that

'Cause she got de whine dat would mek man lose dem life, dem life  
She got de whine dat would mek some gal think twice, think twice  
She got de whine dat would mek man lose dem wife, dem wife

Go round so, go round so  
Love de way yuh make yuh body move and go round so  
Go round so, go round so  
Gal, gal, gal!  
Go round so, go round so  
Love de way yuh make yuh body move and go round so  
Go round so, go round so  
Gal, gal, gal!

She's in a lane of her own without even trying  
In her own zone, not even lying  
Can't even clone her vibe and her stylin'  
She's one of a kind  
Want her to have and to hold, touch is like Midas  
Everything gold, glistening blind us  
Captured my soul, don't need reminders  
She's one of a kind

'Cause she got de whine dat would mek man lose dem life, dem life  
She got de whine dat would mek some gal think twice, think twice  
She got de whine dat would mek man lose dem wife, dem wife  
She got de whine dat would mek another gal think twice, think twice, yeah

Go round so, go round so  
Love de way yuh make yuh body move and go round so  
Go round so, go round so  
Gal, gal, gal!  
Go round so, go round so  
Love de way yuh make yuh body move and go round so  
Go round so, go round so  
Gal, gal!
