

The Only Thing That's Beautiful in Me

Rush Of Fools

Just like the ocean waves
You crash on me
Just like a tidal wave
You ruin me
Just like a hurricane
You devastate everything that needs to change

You are the only thing that's beautiful in me
Beautiful in me
You are the only thing that's beautiful in me
Beautiful in me

Just like a mountain peak
You lift me up
Just like a desert stream
You fill my cup
And like a heart that beats
You are the blood that covers me
You cover me

You are the only thing that's beautiful in me
Beautiful in me
You are the only thing that's beautiful in me
Beautiful in me

And all I can say is thank you, thank you
And all I can say is thank you, Lord thank you
And all I can say is thank you, thank you

You are the only thing that's beautiful in me
Beautiful in me
You are the only thing that's beautiful in me
Beautiful in me
