

Nocturne

Rush

Did I have a dream?
Or did the dream have me?
Did I have a dream?
Or did the dream have me?

Set off on a night-sea journey
Without memory or desire
Drifting through lost latitudes
With no compass and no chart

Flying through hallucination
Distant voices, signal fires
Lighting up my unconscious
And the secret places of the heart

Dream temporary madness
Dream a voice in the wilderness
Dream unconscious revelations
The morning says, the answer is yes

Did I have a dream?
Or did the dream have me?
Did I have a dream?
Or did the dream have me?

Floating through a darkened mirror
Deep reflections in disguise
Soaring through lost altitudes
Without wonder, without fear

Symbols on a field of visions
Behind the curtain of sleeping eyes
On the instant of waking
Another world of dreams appears

Dream temporary madness
Dream a walk in the wilderness
Dream unconscious recreation
The morning says the answer is yes

Dream temporary madness
Dream a voice in the wilderness
Dream unconscious revelations
The morning says, the answer is yes
The morning says, the answer is yes
