Prime Mover

Rush

Basic elemental
Instinct to survive
Stirs the higher passions
Thrill to be alive

Alternating currents In a tidewater surge Rational resistance To an unwise urge Anything can happen

From the point of conception To the moment of truth At the point of surrender To the burden of proof

From the point of ignition To the final drive The point of the journey Is not to arrive Anything can happen

Basic temperamental Filters on our eyes Alter our perceptions Lenses polarize

Alternating currents Force a show of hands Rational responses Force a change of plans Anything can happen

From a point on the compass To magnetic north The point of the needle Moving back and forth

From the point of entry
Until the candle is burned
The point of departure
Is not to return
Anything can happen

I set the wheels in motion Turn up all the machines Activate the programs And run behind the scene

I set the clouds in motion Turn up light and sound Activate the window And watch the world go round

Anything can happen
