Rush

**Dmi**

1. All that we can do is just survive

**F**

**Ami**

**Dmi**

All that we can do to help ourselves is stay alive

All that we can do is just survive

All that we can do to help ourselves is stay alive

**Ami**

Ragged lines of ragged grey

**G**

Skeletons, they shuffle away

Shouting guards and smoking guns

**Ami**

Will cut down the unlucky ones

**Ami**

**Emi**

I clutch the wire fence until my fingers bleed

**F**

A wound that will not heal

A heart that cannot feel

**Am**

**Emi**

Hoping that the horror will recede

**F**

**Ami**

Hoping that tomorrow well all be freed

Sickness to insanity

**G**

Prayer to profanity

Days and weeks and months go by

Don't feel the hunger

**Ami**

Too weak to cry

**Ami**

**Emi**

I hear the sound of gunfire at the prison gate

**F**

Are the liberators here?

Do I hope or do I fear?

**Ami**

**Emi**

For my father and my brother, its too late

**F**

**Dmi**

But I must help my mother stand up straight

2. Are we the last ones left alive?

Are we the only human beings to survive?

Are we the last ones left alive?

Are we the only human beings to survive?

**Emi**

I hear the sound of gunfire at the prison gate

**F**

Are the liberators here?

Do I hope or do I fear?

**Ami**

**Emi**

For my father and my brother, its too late

**F**

**Dmi**

But I must help my mother stand up straight

3. Are we the last ones left alive?

Are we the only human beings to survive?

Are we the last ones left alive?

Are we the only human beings to survive?
