Bare minimum still funding the beef

Slap one out your head, make it run with the breeze
Turn up the heat 100 degrees
Give her the meat like Bon Appetit

Born as a boss, Born as a leader

Eye contact got my dick all hard
Girls say "Russ whys your dick so large"
Dung inna ya-, Dung inna ya you chalk quick
Up inna ya belly, can you take the whole dick
Beat like a 7 coming for the dealings
Them kinda girls mek me catch feelings
