

# Cookie

Russ Millions

Gotcha  
Cookie my favorite flavor, but 'nuff  
Weed like I come from Jamacia  
Cruuuddd!  
Muaaaadd!  
Who's that girl? She's breakerz  
She's making me weak, s-sexy  
Brown and petite  
Good girl times three under the sheets

Cookie my favorite flavor, but 'nuff  
Weed like I come from Jamaica (burning)  
It's bait that Russ gets paper  
Got more bands than my opps and haters, shameless  
Who's that girl? She's breakerz (who's that?)  
She's making me weak, s-sexy  
Brown and petite  
Good girl times three under the sheets (bad gyal)  
Cookie my favorite flavor, but 'nuff

It's bait that Russ gets paper  
Got more bands than my opps and haters, shameless  
Who's that girl? She's breakerz (who's that?)  
She's making me weak, s-sexy  
Brown and petite  
Good girl times three under the sheets (bad gyal)

Those diamonds look cheap  
Shake man ting, show us your receipt  
Grow man now, ain't running down neeks  
Get that drop, pull up and then squeeze  
Nah bro, the back is 'mense  
She gets butterflies when I compliment (mhm)  
What's the consequence?  
If I shoot my shot, I can't hit the fence (fuck it)  
Man on a mission, I might show your bae how I'm livin' (ayy)  
Ju-just put the tip in, she said wait, hold that position (hold it)  
Pull up and show who's realer  
I need some bruck backs, nines and spinners (bullet, bullet)  
Rude boy, mand up and make some skrilla  
Splash, splash out I flick this finger (Ching, ching)  
Spend 2 racks on my coat, and most of my jewellery comes from the vault  
X-X-ray, oh yes she love deep-throat  
Back her then dull her, she nearly choked  
Lock and load, when you see Russ, stop, drop and roll  
Man duff scream that they ain't involved  
Two weeks later, they're in videos  
Yo, yo, Keisha & Becky  
She said she saw my face on the telly  
Shit dn, it's abit techy  
She wants Big Russ up in her belly  
Blick-blicky we don't need flicky's  
I live big backs, but perfer titties  
Yo, Killy, your girlfriends pretty  
Be-be my man, in my zim zimmy (be my man)

Cookie my favorite flavor, but 'nuff (burning)

Weed like I come from Jamaica  
It's bait that Russ gets paper  
Got more bands than my opps and haters, shameless  
Who's that girl? She's breakerz (who's that?)  
She's making me weak, s-sexy  
Brown and petite  
Good girl times three under the sheets

Be-be me man, in the big Benz  
Unrulely, hop of the yeng yeng  
No eediyat skengs, mans out the Ben 10  
Kweng, kweng 'nuff bullets for dem'  
Meditate, I love gunja  
Seperate the crowd with that pumpa  
Russ with a rush, modern day rockstar  
Brown and leng, give her that monster  
He's wet, so the Mandem lowe'd him more time man should've left him drowning  
Racks on racks, come tall like a Mountain  
I got love for my brand new brownin'  
It's me that your Babies shoutin'  
Text him 8, if you know mans flexin'  
Blade, be care, if you chest without wrestling (amiri)  
Amiri, Denim, different be like my diamonds settings (big drip)  
I'm sick of this neek, done got splashed, do you want a repeat?  
If I see them I'm locking off streets  
Back my splash then dig it on deep  
Oi, oi, who's that yute? Don't run  
Russ can't lack mummy loves her son  
One hundred times I made your girl come  
That gyal bad, she wants to have fun  
Stroke my head with Acrylics, attempted  
Bro, I might hit it, beck rock, dick it then dip  
How many man am I beefing?  
But the gyaldem find me appealing  
She gets gassed when I start gun leaning  
Leave her pum-pum leaking
