Russ Millions

(Sebz Beats, baby)
It is not about how far you reach
It is how far you have come from
'Member when you never have nothin'
'Member when you never have achieved nothin'
(Crud)

I wanna be successful, fuck the fame (Fuck fame)
I love— who's to blame? (Who's to blame)
I got six on a diamond chain (Bussy)
I get high tryna heal the pain
Since my sis left, life ain't been the same (Fucked up)
It gets awks
Swervin', put the V in sport
Send me your account number and sort (Wilin')
Put-put the beam on your chest (Shatai)
Shorty want a B-O-double S (Boss)
Bad gyal wettin', she ain't undressed (Bad gyal)
Horny, tryna lick my flesh
I miss her, wonder how she been (How you been?)
She got a body, she don't go gym (Woo)
She love Kim, so she wearin' Skims (Woo)
I don't show off, she knows I'm him
She love one man, only fuck gunman
Scumbag, hit and delete that
In business class with my seat back
I piped— (Shh) but I can't leak that (Shh)
Grip it, lift it, it's a IC3 I'm drillin' (Baow, shoot)
Watch the PR barrel spinnin' (Shatai)
It's the next man's girl I'm linkin'
With my nan, goin' Church on a Sunday (Mm-hm)
Who know I would've made it one day? (Mm-hm)
From young Russ been about (From early)
From thirteen Russ been about gunplay (Shatai)
Bang for my bros cah I love them lots (Uh-huh)
I got it straight out of the mud with WOT (Uh-huh)
I need an auto with a hundred shots (Baow)
I let your girl put on my favourite watch (Baow, baow, shatai)
(Put-put the beam on your chest)
(Shorty want a B-O-double S)
(Bad gyal wettin', she ain't undressed)
(Horny, tryna lick my flesh)
I miss her, wonder how she been
She got a body, she don't go gym
She love Kim, so she wearin' Skims
I don't show off, she knows I'm him

Bend your back girl, low, low
Wind it like a goal, goal
And her man don't know
True say that the gang get dough
Pum get whack if I take control
This Cuban's only like one show
He got touched and it's still unsolved
(I don't show off, she knows I'm him)
Shatai
