Isn't it shit you keep losing friends?
Every year, that's your friend on the news
I'll say it again and again
Bad B wan' whine and kotch
Just copped the new dots, will you hold this skeng?
My browning from Farm block's leng
My NP ting love sitting on the fence
My Enfield tings too wild
My N9 ting hold it down to the end

One gun lean and her panties drop
Naghz got chopped and the mandem watched
Unruly, nobody can stop me
