

## Trumpet of Jesus

Russ Taff

(Chorus:) I listen to the Trumpet of Jesus While the world hear s a different sound I march to the trumpet of God Almighty Whil e the others just wander around I'm a member of the Holy Ghost traveling band I'm moving up to a better land I hear the voice of a Supernatural Savior Like only those who know Him can

One sweet sound makes A whole world of difference When the worl d seems indifferent to you His Melody of love calls you to be g reat when mere content was all you thought you could do So if y ou've been playin' all your days by ear Never knowin' what your song was to be Then pull up a chair, let down your hair And ta ke a few lessons from me

(Chorus)

A spiritual fanfare has a sound all it's own At the birth of a lasting song It's been two thousand years since Jesus was born And still the celebration goes on If you feel the need to get y our life in tune 'Cause you're tired of the drudge every day Th en turn yourself around, Put your feet on the ground and just h ear what I have to say

(Chorus)

Listen to the trumpet of Jesus

(chorus)

Can you hear the trumpet of Jesus?
