

3AM

Russ

Yeah
Na-na, na-na, na-na-na
I know you know what's up, haha
Yeah
Oh-oh-oh

It's 3 AM, answer your phone (Your phone)
I know you hate to be alone (Ooh yeah)
Said you been waiting on me all night (Ooh yeah)
I'll let you stay, you play your cards right
It's 3 AM, answer your phone (Your phone)
I know you hate to be alone (Ooh yeah)
Said you been waiting on me all night (Ooh yeah)
I'll let you stay, you play your cards right

Yeah, yeah
I know you up, I know you down
I live alone, so let's get loud (Yeah, yeah)
You from the BX like JLo
I fuck with you 'cause you lay low
Pussy be rainin', ass is thunder clappin', mouth's a tornado (Come on)
This just the calm before the storm
It's three o'clock in the morn'
I like a freak, had to ask, "When we droppin' the porn?"
Baby tell that's just for me and you
You needin' me, I'm needin' you
Pick up, pull up, pick up, pull up, please (Come on)

It's 3 AM, answer your phone (Your phone)
I know you hate to be alone
Said you been waiting on me all night (All night)
I'll let you stay, you play your cards right
It's 3 AM, answer your phone (Ooh yeah)
I know you hate to be alone (Be alone, be alone)
Said you been waiting on me all night (Yeah, ayy, yeah)
I'll let you stay, you play your cards right

Told you if you play your cards right
I wouldn't usually but I might let you stay the night
It's something different 'bout you, I might need it one more time
Got me thinking 'bout you, baby, you been on my mind
Yeah, you been on my mind
Don't wanna leave you waitin'
But if I do, I'll make it up to you, ooh, ooh, ooh, girl
I need you to wait for me

It's 3 AM, answer your phone
I know you hate to be alone (Ooh yeah)
Said you been waiting on me all night (All night)
I'll let you stay, you play your cards right (Ooh yeah, ooh yeah)

Call me once, call me twice
I'm, out my mind, back in five
I don't know why, tryna fight
I can't deny
I've been running 'round thinking 'bout you all-day (All-day)
I've been dodging texts, playin' Coup all-day

Waiting on me, you said it's gettin' late
In and out of sleep, you're tryna stay awake

It's 3 AM, answer your phone
I know you hate to be alone
Said you been waiting on me all night
I'll let you stay, you play your cards right
It's 3 AM, answer your phone
I know you hate to be alone
Said you been waiting on me all night
I'll let you stay, you play your cards right

Sheesh
Play your cards right
It's 3 AM, play your cards right
Yeah, yeah, ayy
