Russ

Yeah

And this is free knowledge that I'm giving you
If you can't swim get the fuck up out the swimming pool
If you can't swing then you better block your chin or move
Or they're gonna finish you quicker than an interlude
Chew you up like dinner food, I'm in the mood to spaz
Fuck making beats, I make bombs, I make fracks
Name your favorite rapper and I bet you that he gags
More than lethal lip sucking dick for the cash
Blunts getting ashed, tops getting screwed off
You could buy time but you're amazed by a new watch
Living off an image, putting faith in a shoe box
My dreams are up fro sale, it's only costing me a few thoughts
But I can't lie man, I'm really tryna zoom off
In a matte black, Gotti black rims, roof off
Way beyond the boombox but still in love with tube socks
Had a spaced brain like I'm chain smoking moon rocks, ah

Could you walked a mile in my shoes?
5280, what you tryna do?
I'm not saying that I'm projects
But best belive motherfuckers, I got next
Could you walked a mile in my shoes?
5280, what you tryna do?
I'm not saying that I'm projects
But best belive motherfuckers, I got next

Yeah, you listen to a genius, tryna follow closely
Yeah you're in the game but Russ is bringing home the trophy
Used to blow me off, the same bitches tryna blow me
Ring-around-the-rosy, sit the fuck down and get cosy
No one really knows me you nosy motherfuckers
Fuck you and your whole team, my flow's mean motherfuckers
Yeah I got them beats that fill up seats motherfuckers
Who comment on me? Not you motherfuckers
So know your fucking role, get your ego in check
I'm Ne-Yo, I'm D-Rose, you're zeros respect
You're rooting from a [...] but heroes neglect
So run and tell Miss Cleo, even she knows I'm next
And I feel no threat in anyone that's in this booth
God almighty, call me Bruce
Introduce my vision with precision as I'm sipping Goose
Intuition as youth puts me in position to
Exercise and energize my enterprise and see it bloom

Could you walked a mile in my shoes?
5280, what you tryna do?
I'm not saying that I'm projects
But best belive motherfuckers, I got next
Could you walked a mile in my shoes?
5280, what you tryna do?
I'm not saying that I'm projects
But best belive motherfuckers, I got next

I got next, don't sleep on me
I'm coming for your spot

I don't know what you been told
But Russ ain't gonna stop
I got next, don't sleep on me
I'm coming for your spot
I don't know what you been told
But Russ ain't gonna stop

Could you walked a mile in my shoes?
5280, what you tryna do?
I'm not saying that I'm projects
But best belive motherfuckers, I got next
Could you walked a mile in my shoes?
5280, what you tryna do?
I'm not saying that I'm projects
