

Bankrupt

Russ

Left a long time ago
Now I really think that it's time to go
Oh, I don't feel the same love
My heart is bankrupt

Left a long time ago
Now I really think that it's time to go
Oh, I don't feel the same love
My heart is bankrupt

Okay, It's after two o'clock in the AM, zoning
I think it's time to stop all the waiting and hoping for it to get better
It's time that I forget her
It's only been a week long, still hard to speak on

Burden on my soul, took a toll, had to lift it
Take another sip, another puff, now I'm lifted
It's time to move on, I stayed too long
I love you but I gotta let you go

Left a long time ago (Yeah)
Now I really think that it's time to go
Oh, I don't feel the same love
My heart is bankrupt

Left a long time ago
Now I really think that it's time to go
Oh, I don't feel the same love
My heart is bankrupt

Okay, it's time to turn the page on you
I know you're not in chapter two
It hurts 'cause this will be the first
Time that I don't have you by

My side, I might be suffering
'Cause I'm attached
I'm wondering when this will pass
And be my past 'cause I don't got nothing left, no

Left a long time ago
Now I really think that it's time to go
Oh, I don't feel the same love
My heart is bankrupt

Left a long time ago
Now I really think that it's time to go
Oh, I don't feel the same love
My heart is bankrupt
