

# Begging You

Russ

(Yeah  
I'm beggin' you)

Take all my pain away  
Take all my pain away  
Take all my pain away  
Don't give it back, I'm beggin' you  
Take all my pain away  
Take all my pain away  
Take all my pain away  
Don't give it back, I'm beggin' you

Time goes on  
I hope I stay strong  
Don't you stop right now  
You can't stop right now  
Time goes on  
I hope I stay strong  
Don't you stop right now  
You can't stop right now

Yeah, yeah  
I can't take it anymore, I need a break  
Faith lookin' slim, and my doubts gaining weight  
Dad on meds, doctors say he's bipolar  
I'm scared I'ma turn out like that when I'm older  
Haven't been in love since I was droppin' mixtapes  
Built up a wall, swear it's tall, like 6'8  
I don't wanna spend my twenties on the road  
Or spend my thirties wondering why I'm alone  
I might buy a 40, take it straight to the head  
Fifty thousand dollars could get all my haters dead  
I won't even feel it and they won't even trace it  
Devil sees my blessings, swear to God he's tryna take it  
Guess I gotta pray that I will not engage that  
'Nother sleepless night, dark circles are my face tats  
Middle finger aimed at anywhere the pain's at  
RIP Pop pop, I wish that I could change that, yeah

Take all my pain away  
Take all my pain away  
Take all my pain away  
Don't give it back, I'm beggin' you  
Take all my pain away  
Take all my pain away  
Take all my pain away  
Don't give it back, I'm beggin' you

Time goes on  
I hope I stay strong  
Don't you stop right now  
You can't stop right now  
Time goes on  
I hope I stay strong  
Don't you stop right now  
You can't stop right now

Had a face full of scruff like Shia LaBeouf  
Tryna find some love, dipped off in the cut  
I don't wanna talk right now  
Even though I need to talk right now  
But I'm hidin', I'm lonesome  
I can't seem to shake this off  
This Zoo is a nuisance  
I'm steady tryna break these walls  
Yeah  
I'm steady takin' care of my family, I'm sending wires like texts  
I got a lot of mouths to feed, I'm 'bout to hire a chef  
It's all on me, I gotta get the bag like Mike Conley  
Hope the money's always on time like Ashanti  
On me, present, gotta be everywhere  
For my family, for my friends, for my fans  
It's not fair to myself, but it is what it is  
I'm runnin' low on self-care, but it is what it is (fuck it)

Take all my pain away  
Take all my pain away  
Take all my pain away  
Don't give it back, I'm beggin' you  
Take all my pain away  
Take all my pain away  
Take all my pain away  
Don't give it back, I'm beggin' you

Time goes on  
I hope I stay strong  
Don't you stop right now  
You can't stop right now  
Time goes on  
I hope I stay strong  
Don't you stop right now  
You can't stop right now
