

# BREAK!

Russ

Yeah  
Bugus told me I need a break  
I agree, hahaha  
I just don't know if I can take one  
Yeah, for real

I need a break (Come on)  
But I'm probably never gon' get one  
I need a break (Yeah)  
I just been working makin' the checks come  
I need a break  
'Fore I lose all of my marbles  
Break  
I cannot wait 'til tomorrow  
Yeah, break

Even on off days, gotta be on  
Head of the family, take care of my mom  
Welcome to bein' a man I guess  
Always knew this was the plan I guess  
Covered in stress, tryna juggle this life  
Payin' the bills, but I'm payin' the price  
Welcome to bein' a man I guess  
Always knew this was the plan I guess  
Yeah, work, work, work, work, work, I feel I'm RiRi, uh (Yeah)  
I need some balance, believe me  
But it's not easy, family needs me (They do)  
Tried to relax, but that ain't last  
Embarrassed 'bout sittin' too long on my ass (For real)  
Back on the roads spreadin' the movement, still goin' through it

I need a break (Break)  
But I'm probably never gon' get one  
I need a break (Yeah)  
I just been working makin' the checks come  
I need a break  
'Fore I lose all of my marbles  
Break  
I cannot wait 'til tomorrow  
Break (Yeah)

I'm livin' on E, I'm runnin' on fumes, I'm feeling exhausted  
It's 5 in the morning, I'm on vacation, I'm in the office  
Think I'm addicted to ambition, got a problem (I got a problem)  
Yeah, I got problem  
I got a problem, I gotta be workin' or else I feel guilty (Guilty)  
Anxiety probably gon' kill me (You need to chill)  
I don't know how  
I just got home, goin' back outta town and I don't even wanna go (Don't even  
wanna go)  
How many days have I been away? I don't even wanna know  
I gotta go 'cause if I don't do it then no one's gon' do it

I need a break (Break)  
But I'm probably never gon' get one  
I need a break (Yeah)  
I just been working makin' the checks come

I need a break  
'Fore I lose all of my marbles  
Break  
I cannot wait 'til tomorrow  
Break
