

# Dangerous

Russ

Yeah, come on

I ain't tryin' to hang with you (oh oh oh)  
I can tell you dangerous (oh oh oh)  
Shit just ain't the same with you (oh oh oh)  
I can tell you dangerous (yeah yeah yeah)  
I ain't tryin' to hang with you (oh oh oh)  
I can tell you dangerous (oh oh oh)  
Shit just ain't the same with you (oh oh oh)  
I can tell you dangerous (yeah yeah yeah)

I know you too well  
Check myself, I don't need you  
But it's getting late, I'm awake, I might see you  
I'm feeling myself, comfortable in my Adidas  
I don't blame myself, uh oh  
This tequila that got me feeling froggy, I might leap now  
I just need a little TLC so I might creep now  
Hold up let me catch myself this happens every week now  
Somebody come take my phone

I ain't tryin' to hang with you (oh oh oh)  
I can tell you dangerous (oh oh oh)  
Shit just ain't the same with you (oh oh oh)  
I can tell you dangerous (yeah yeah yeah)  
I ain't tryin' to hang with you (oh oh oh)  
I can tell you dangerous (oh oh oh)  
Shit just ain't the same with you (oh oh oh)  
I can tell you dangerous (yeah yeah yeah)

We done this before, this back and forth is gettin' old  
I hope you understand the reason I can't see you anymore  
I got a life I gotta live, you got one too, it's time to quit  
I cannot fall back into my old ways  
This is hard to hear, I know, we had our run but now it's over  
We were drunk off arguments and texts but now we're fuckin' sober  
This is far from something healthy, I can help you if you help me  
We just gotta go our separate ways

I ain't tryin' to hang with you (oh oh oh)  
I can tell you dangerous (oh oh oh)  
Shit just ain't the same with you (oh oh oh)  
I can tell you dangerous (yeah yeah yeah)  
I ain't tryin' to hang with you (oh oh oh)  
I can tell you dangerous (oh oh oh)  
Shit just ain't the same with you (oh oh oh)  
I can tell you dangerous (yeah yeah yeah)
