

Yeah

I'm feelin' empty every day now
I don't know what the fuck is happenin'
I'm runnin' fast, but I feel weighed down
Nowhere I go escapes the sadness
I'm feelin' empty every day now
I don't know what the fuck is happenin'
I'm runnin' fast, but I feel weighed down
Nowhere I go escapes the sadness

You told me that I wasn't good enough (Good enough) and I listened (Listened)
And now I'm feelin' angry, tryna find out what's missin'
There's a hole in me (Hole in me), I'm tryna fill it (Fill it)
With accomplishments and women, but that don't make a difference, no (No)
Why you never wanna see me up? (Up)
Why you always tryna bring me down? (Down)
Man, I wish I didn't give a fuck (Fuck)
Still, I'm out here lookin' all around for somethin'
Or someone to make me feel a way
But instead I'm left with nothin'
'Cause you told me that I wasn't good enough and I listened, oh

I'm feelin' empty every day now
I don't know what the fuck is happenin'
I'm runnin' fast, but I feel weighed down
Nowhere I go escapes the sadness
I'm feelin' empty every day now
I don't know what the fuck is happenin'
I'm runnin' fast, but I feel weighed down
Nowhere I go escapes the sadness
