You insist, grab my (Uh)

And I  
Love how you always know when I'm stressin' you, at least  
Wish that I could be everything you need me to be (Everything)  
Yeah, that you need me to be (Everything)  
Woah

You got something that I want, I desire  
I got something that you need, I'm your fire, yeah

Are we all  
Are we all going down? (Down, down)  
Maybe I, maybe I  
Don't wanna go nowhere  
Wanna stay right here, would you stay with me?

Now I know that I ain't ever goin' nowhere, yeah  
Unless I'm goin' down with you

With you, with you, with you, with you

Don't you worry

I'm all in, I promise (I'm all in)  
Yeah, I'm all in (I'm all in)  
Yeah, I'm all in (I'm all in)

You got something that I want, I desire  
I got something that you need, I'm your fire, yeah  
Yeah, I'm your fire, yeah, woah  
You got something that I want, I desire  
I got something that you need, I'm your fire, yeah  
Yeah, I'm your fire, yeah, woah
