

I Got You

Russ

It's uncomfortable to love you in the way you need
'Cause I'm scared of being vulnerable and being seen
'Cause I just wanna be the best
Don't want you to love me less
But I promise, girl, I got you, got you
I guess my perfectionism's doin' damage still
Fear of you watching me stumble's got me standing still
Now you think that I don't care
I'm just scared to say I'm scared
But I promise, girl, I got you, got you

Girl, I'm so dow-ow-own
Promise I'ma figure this ow-ow-out
I know you wish I knew right now-ow-ow
I'm new to this shit, stick arou-ow-ow-ound
Scared of bein' judged by you
Scared of bein' judged by me
Overthinking what's my move
I don't wanna let you see
My training wheels
'Cause it makes me feel
Like I'm not enough
Like I'm not the one
And I'm wondering
If I'm fumbling
If I'm not enough
If I'm not the one for you

It's uncomfortable to love you in the way you need
'Cause I'm scared of being vulnerable and being seen
'Cause I just wanna be the best
Don't want you to love me less
But I promise, girl, I got you, got you
I guess my perfectionism's doin' damage still
Fear of you watching me stumble's got me standing still
Now you think that I don't care
I'm just scared to say I'm scared
But I promise, girl, I got you, got you

Don't you ever think
That I don't wanna give you what you need
I'm just needing to be freed
Out of sync, I know the missing link
You just craving connection and affection
Girl, I'm not as unaware as it may seem
We're supposed to be a team, but lately it's been me vs. you
I'm sorry you don't feel how much I wish that I could be
What you need me to be
There's hurdles in my head and they seem too high
But I refuse to lose my baby

It's uncomfortable to love you in the way you need
'Cause I'm scared of being vulnerable and being seen
'Cause I just wanna be the best
Don't want you to love me less
But I promise, girl, I got you, got you
I guess my perfectionism's doin' damage still

Fear of you watching me stumble's got me standing still
Now you think that I don't care
I'm just scared to say I'm scared
But I promise, girl, I got you, got you

I'm more fed up than you
I promise, that's the truth
Girl, yeah, I wanna learn quicker, baby
I should learn quicker, baby
Wanna learn quicker, baby
I should learn quicker, baby
