Russ

Yeah, damn  
I'm at the house  
Yeah (For real)  
Yeah-yeah

Stayin' inside  
Not goin' out (Why, why)  
Just a bunch of women tryin' to trip me up  
And dudes chasin' clout (True)  
Stayin' inside  
And runnin' it up (Yeah)  
Been shit goin' on outside  
But fuckin' this up (Real shit)

I don't want to, I don't care what's goin' on (At all)  
I won't come through, I don't care I'm stayin' home  
And I got shit that people want, I ain't goin' out  
Know I got shit these bitches want, I ain't goin' out

Stayin' inside  
Not goin' out (Why, why)  
Just a bunch of women tryin' to trip me up  
And dudes chasin' clout (True)  
Stayin' inside  
And runnin' it up (Yeah)  
Been shit goin' on outside  
But fuckin' this up (Real shit)

They goin' outside, but endin' up inside cells and caskets  
I'ma be inside, instead of wonderin' what the hell is happenin'  
Don't know how to just be outside and be in (In, in)  
Dudes entitled and these women are the same (Same)  
Things I work for, they think they deserve to take (Take)  
Y'all the same (Same)

Stayin' inside  
Not goin' out (Why, why)

And dudes chasin' clout (True)  
Stayin' inside

But fuck it [?] (Real shit)

Y'all got envy (Y'all got envy)  
"But I got this, I got that", but I got plans  
These dudes think that what I have belong to them  
These women think they gonna trap me  
And pretend, to love me (Yeah right)  
I can see right through that, baby just come fuck me  
Actually nevermind, I don't want you near me  
Baby don't touch me

Stayin' inside  
Not goin' out (Why, why)  
Just a bunch of women tryin' to trip me up

And dudes chasin' clout (True)  
Stayin' inside  
And runnin' it up (Yeah)
