

## Lake Como

Russ

Let's go shop in Paris this ain't SoHo  
I know it's your dream to come with me and see Lake Como  
I'mma make it happen  
Villa on the water we relaxin'  
I might be in love with you

I wasted time I shoulda made you mine 6 months ago  
Say I don't give a fuck but I said that 6 fucks ago  
Thank god I snapped out of it  
I'm with you and I'm proud of it  
I can't believe this happened  
You a special type of woman (yeah)

You got me doin' things that I ain't ever done before  
I take you places I ain't ever took no one before  
This 8 trips is deeper than that  
This ain't gives us deeper than that  
This is vulnerability  
I'm hopin' that you're feelin' me

I might be in love with you

I met your mamma and your mamma love me  
I got you and you say you got me  
We gon see about that  
I got faith in you

Yeah  
No girl that I know can say I did them like I did you  
They say I'll play you cold but you don't need me to come fix y  
ou  
You need me to uplift you and I'm here for that  
A girl that fucks with me for me  
Shit I waited years for that
